## ABOUT CONFERENCE

On behalf of Organizing Committee we invite all the participants from all part of the world to attend the Psychiatry conference entitled “4th World Congress on Psychiatry & Psychological Syndromes” scheduled during November 01-02, 2021 at Paris, France.

Psychiatry Congress 2021 is the leading meeting dedicated to Psychiatrists and Stress researchers with the theme “Scrutinizing Innovative and Advance Treatment towards Psychological Syndrome.”

Goal of Psychiatry Congress 2021 is to deliver an outstanding program for exchange of ideas and authoritative views by leading scientists which covers the entire spectrum of research in Psychology and Psychiatry and share the cross-cultural experiences of various treatment procedures.

Psychiatry Congress 2021 is an annual meeting of Psychiatrists as well as Psychologist committees to discuss the future of the Psychology and Psychiatry in terms of collaboration, structures and organizational development and advances of Psychiatry and Psychological syndromes.

Psychiatry Congress 2021 is the leading meeting dedicated to Psychiatrists and Stress researchers with the theme “Scrutinizing Innovative and Advance Treatment towards Psychological Syndrome”.

About 1.4 million people in Italy suffer from Psychiatry and Psychological, women being affected twice as often as men. Every tenth Italian develops a depression that necessitates treatment at least once a lifetime. According to estimates of the WHO (World Health Organisation), 135 million people worldwide suffer from depression.

According to UNISON numbers, 27 million people suffer from depression in all of Europe. And there, the disease is the second most common reason for incapacity to work. The European Commission estimates that UNISON economies face \$134 billion in annual costs due to this burden.

We strive to make Psychiatry Congress 2021 a success, with your support and high quality talks from both Psychiatrists as well as Psychological committees. During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

“4th World Congress on Psychiatry & Psychological Syndromes” is a unique forum to bring together worldwide distinguished academics in the field of Psychology and Psychiatry, Stress researchers, public health professionals, scientists, academic scientists, industry researchers, scholars to exchange about state of the art research and technologies. The Conference will feature many exciting academic programs including multiple panels, workshops, affinity group lunches, paper presentations, and scientific sessions by reputed psychiatrists from all over the country.
